BROCHURE

about us

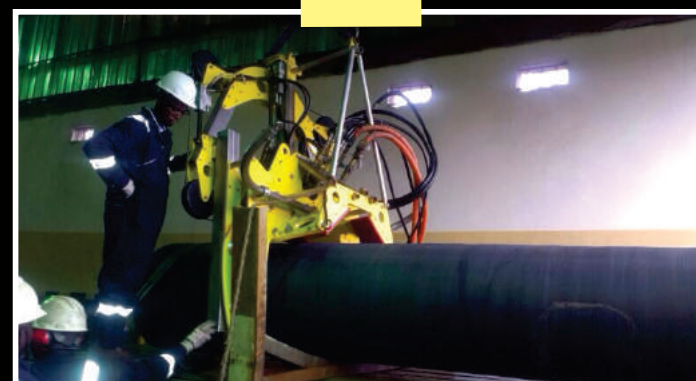

Platform Express Global Resources Limited (PEGR) has been and remains committed to the basic philosophy of efficient service delivery – timely, on budget, safely, and responsibly. It has combined extensive local knowledge with selective foreign technical partnerships to create unique competencies that few of its competitors, whether local or foreign, can match. The Company employs a general management approach that places great premium on innovation and creativity; it is thus able to respond in a dynamic and proactive manner to clients' changing needs.

PLATFORM EXPRESS GLOBAL RESOURCES LIMITED (PEGR) is an indigenous company incorporated in Nigeria to provide Allied services to the Oil and Gas Industry within the Nigerian Oil and Gas Industry and the Sub-Saharan region at large. Our key focus is Mechanical Maintenance, Instrumentation and Controls services and Procurement.

In a bid to provide impeccable value added services to our clients, we have assembled a team of highly skilled and trained professionals with valuable experience from the Oil Majors to come on board to drive this endeavor. This has placed us ahead of our competitors and we have been duly recognized by Companies, Corporate Bodies, Government agencies and Individuals, etc.

To further strengthen and boost our technical skills and capacity, we have established partnerships / Agency representatives for Original equipment manufacturers for a varied list of companies' world-wide and we have increased sales from this region for both companies over the years.

We are ready to roll our sleeves up and soil our hands to satisfy our clients.
